Colossians 1:24-2:5

The Bible is a big book, but it tells one BIG story. Paul was given the job of telling people all over the world the good news of the Bible - God's big rescue of the world. Use the comic strip to tell the big bits of this story!

The image shows a comic strip template with six empty rectangular panels. The panels are arranged in three rows. The top row consists of two panels of equal width. The middle row consists of two panels of equal width. The bottom row consists of two panels of equal width. All panels are empty and intended for drawing or writing.
