**Colossians Week 3**

God wanted Paul to teach all people the good news about Jesus that we learn in the Bible! Draw a picture of some of the stories you learn in the Bible!

Finish the maze to help Paul's letter reach the church in Colossae!

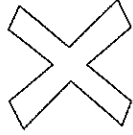

Complete the craft on the following page.

1. Colour in all the pictures
2. With an adult's help, fold along the middle horizontal line and then the vertical line to make a book.

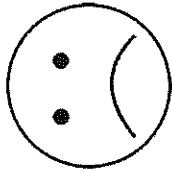

God made the world and it was good!

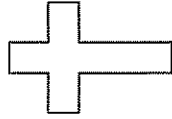

So God said: It is wonderful to live with him but because of your sin, you can't come in.

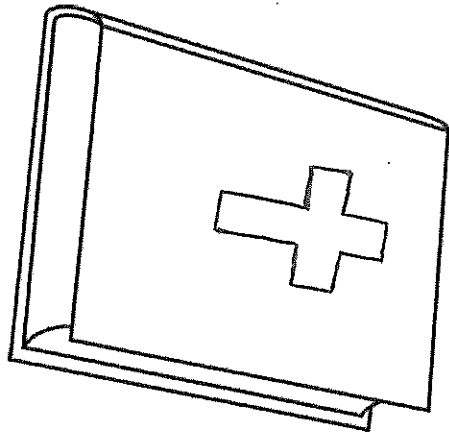

But people sinned and stopped listening to God!

Until... Jesus came and died on the cross to take our sin!

He came back to life to tell us...

In the Bible, we learn all about God and his BIG rescue plan for the world!

God says it's wonderful to live with him. Because of your sin you can't come in. BUT, I died on the cross to take your sin, so all my friends can now come in!
